Bell am Laacher See is in close proximity to the motorway **A 61**, between Cologne (Köln) and Koblenz. GPS data: 50.39556, 7.23350

- You leave the motorway at **exit AS 33** 'Wehr / Nürburgring / Adenau / Kempenich' and automatically drive onto the main road B 412.

- After approx. 1.6 km you will find the **industrial park 'Am Rothen Berg'** on the right. Our company building is right at the front on the corner – in the green behind oaks and columnar beeches. Use the bell to the right-hand side of the gate:
